

**(3) REMARKS**

Added page five contains no substantive matter regarding the invention. It is an unintentionally omitted page from the SUMMARY section of the specification. The last sentence of para. [0009] is essentially verbatim to claim 9, at lines 8 and 9. Para. [0010] is essentially verbatim to claim 15. Para. [0011] is essentially verbatim to claim 23. Para. [0012] is legal boilerplate in explanation of applicants' purpose for providing the SUMMARY section. Thus, no new matter is added and the filing date of October 30, 2001 stands appropriate as note by the Office of Petitions.

**(4) AMENDMENTS: VERSIONS WITH MARKINGS TO SHOW CHANGES MADE**

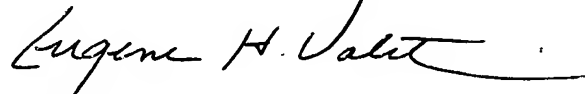

**IN THE SPECIFICATION:**

Page 5 is added. This page is an addition and therefore has no marking for changes.

Questions or suggestions that will advance the case to allowance may be directed to the undersigned by teleconference at the Examiner's convenience.

Date: AUG-27-2002
